## For Wildflowers Quiet

In Pansy morning, all hopeless loving
some wildflower called beyond the plain,
On yellow sunbeam, tinged with lacking
carrying dreams that never hold.

Come Violet noon, of sweet faithfulness
so true we waited on wildflower time,
Upon green mosses, etched with ocean
to catch a dream, for love had told.

Then Rue twilight, repentance in sorrow
for wildflower loving, so far away,
Behind brown leaves, all lined in promise
a fleeting dream, out past the cold.

So Rosemary midnight, all in rememberance
of wildflower instances, there, then not,
Deepening grey past, surrounded by knowing
for missing the dream we would not hold.

Rural Reflections in my mind

A part of the personilty
So rural, casual and free.
It leads me to a quiet life . . .
to a quaint, little schack
where I may be protected from exposure to
the world.
There I rest my soul.
And in the nearby spring,
I am reborn in the wonderfully cool waters
that run so gently, tickling my heart.
Fields of wheat and the fresh smell of plants,
I breath in to be adopted by them
and partake of nature at its truest.
Lay there, viewing the panoramic sky,
giggling to myself while drawing characters in
the clouds.
I rest and I shout;
I run and join the butterflies —
I sing and join the birds.
They are my peace and my loneliness.
All these a rural reflection of me.

## Remember Always 76

Seventeen seventy-six was a famous year,
The time had come for no more fear.
Now it was time for only action and reason,
If Americans wanted harmony with each season.
The spirit was there, they had the desire.
They showed the British when they opened fire.
There was no more time to be fooled and tricked.
Americans proved themselves in 1776.

The Declaration of Independence was drawn up one day
and it demanded Americans be free in every way.
Two hundred years have since passed,
Leaving things to be done.
We still have problems today
that we must overcome.

Robin Johnson

## Monuments Unknown

Volumes containing events of the past
  read, but so unknown
Close off the world, think of the days
  cobblestones, battlefields.
Men traveling miles on foot
  bearing destruction at heart
  but bringing a world so new
A world where man can create individuals
  open themselves,
  be unique
Open your eyes reality returns
  you face life in freedom
  no battlefields, but monuments.
Sculptures creations containing the past
  but no one comprehends their build
So close your eyes to think . . .

## Blue

There is not a shade of difference between
happy and sad
Which one i believe is me at any moment
is determined by the depth of contemplation
which i give each thought passing through
Happy cannot remain in deep thought
Sad neither is a mind in deep thought
it is only that such a state is so uncommon to man
that he does not know how to deal with it
He gives it a color because his simple mind
does not understand
Abstraction is what he will call anything
which frustrates him through its impalpablity
And so abstraction lies between happy and sad
But i see the power of a greater part of man's mind
trying to reveal all the knowledge of the universe
And there is no abstraction
only the depths which the mind has not yet reached.

*Clouds*

Clouds, like dreams,
are only empty till they're filled
by someone

And if you turn away for too long,
when you look up
they're not where they were before.

Clouds, like love,
are only friendly till the storms begin
to form

And if you leave them there too long,
when you search them out
you'll find them rained away.

Clouds, like hope,
are still there in the night though
you can't see them

And if you only hurry the morning light,
you'll still stand a chance
of reaching the sky.

## The Seagull

struggling out of its nest —
scared and frightened of the new circumstance,
of the crowd of other seagulls curiously flocking around him,
staring at him, scrutinizing every feather of his body.
The first attempt in flight,
the second, the third—
and finally the time when his wings flap gracefully with
the seabreeze,
The crowd and his parents still dubious
of the insecure novice.

But not so.
The young seagull has gained confidence through experience.
Trying with only a shock of nervousness;
he is free and independent to risk as he wishes.
There are times of practice . . . alone,
having no eyes to disapprove when he falls.

The Seagull is no longer young but not old either.
He has attained more control over his shaking self,
and put it to good use.
The crowd, his audience, watch —
with awe, with happiness,
with the "right" feeling of true enjoyment of observing
something perfect.
"This is the true seagull . . . afloat in harmony
with the wind, the crowd, the world."

The 1975-76 group of Junior Historians will complete the publication of a booklet that will identify the history of famous local areas. The last book issued by Abington High School was in 1940. Our present project was initiated five years ago. The '76 Bicentennial staff will complete this tremendous task!

As staed in the student handbook, the purpose of the club is to acquaint interested students with local and state history. Membership is limited to South Campus students and meetings are held bimonthly.

Our club advisors are Miss Mary Gail Ambler, Miss Nancy McHugh, Mr. Eric Luce, and Miss Joan Gallagher. The officers are Dottie Shea, Pres.; Karen Blaszczyk, 1st V.P.; Fred Diegel, 2nd V.P.; Andrej Zajac, Treas.; and Nancy Hoag, Sec.

# "THE PLAY'S THE THING ... "

*Men who love humanity have all dreamed at least once during their lives of bringing all their fellow men together in a state of carefree happiness. And only the world of theater ever really succeeds in doing this. For a minute or perhaps two — and this is a long time — the theater makes man better and happier on earth. That is why I love the theater.*

This club's membership is built around members from the boys' and girls' varsity teams. The Varsity "A" club is constantly busy backing various activities. The selling of programs at home football games made it possible for the traditional pep rally to be held before the annual Cheltenham game. Various activities such as selling candy, running the concession stand — at home basketball games, roller-skating parties and various other fund raising drives all contribute to an athletic scholarship.

The officers are: Carol Metzgar, Pres.; Dottie Crosson, V.P.; Joe Mailey, Sec.; Win Levis, Treas. The sponsor is Mr. Eric Luce.

The Abington World Affairs Forum is dedicated to introducing the student to the complex political problems of the world, as well as providing excellent opportunities to actually participating in timely debates on pertinent questions. Sponsored by Mr. James Sullivan, the twenty member organization raised funds by selling candy at various school functions, and financed their activities for the year. Such activities included: trips to the United Nations building in New York, lectures by prominent world known celebrities, Model Senate Subcommittee Hearings, and a four day trip to participate in the Yale University Model United Nations. Under the expert supervision of Mr. James Sullivan, the club has been highly successful and preparations for next year's activities have already begun.

# THE PENNSYLVANIA GOVERNOR'S SCHOOL FOR THE ARTS

The Pennsylvania Governor's School for the Arts (PGSA) is a State Department of Education funded program established in 1973 to recognize and promote the artistic achievements of talented students in our high schools today. A six week residential summer arts seminar is held annually on the Bucknell University campus to provide young student artists an opportunity to participate in an exciting highly innovative program. Here students can find inspiration and challenge in a concentrated exploration of their specific art field in addition to sharing a unique learning experience with students in the related art areas of music, theatre, dance, art, photography, creative writing and other art forms. Leadership is a primary thrust of the process oriented program whereby students are encouraged to share their experiences and enthusiasm in school and community activities.

All high school students in their sophomore and junior year are eligible to try out for this program. Selection is made on a county and state wide competitive basis in which applicants are required to audition in their particular art fields. Approximately 250 students qualify for the program and are awarded a $1,000 scholorship to attend PGSA each summer. In 1975 Michele Beinstock, Victor Mignatti and Elisabeth Coates received scholarships to attend this program in art, photography, and music respectively.

The four and half minute competition shows, which they perform on a standard basketball floor, offer a very unique experience because of the extremely close eye contact between spectators, judges, and competitors.

The Tech School is an educational establishment for students who would like to use their hands and their heads rather than depending solely on brain power. There are many different fields which are taught. They are: automobile mechanics, car entry, cosmotology, drafting, electronics, horticulture and several other vocational areas.

The Tech School is an establishment which attempts to prepare the student after graduation. Like Abington High School, the Tech School is only as successful as the students who strive to achieve their goal.

Abington's soccer team continued to maintain its traditional level of excellence, once again winning the Suburban I League Championship, and advancing to the District I Semifinal Round before being eliminated in a last minute decision.

The team has much to be proud of. More than once, the team came from behind to snatch victory in the final seconds of play. In facing the toughest competitors in the Philadelphia area, Abington's record was 15 wins, 2 losses, and 1 tie. Combined with last year's showing, the record of the graduating seniors' two varsity years is 31 wins, 3 losses, and 2 ties.

Captains of this year's squad were Mike Gorni and Dave Flood. Several players received post-season honors, among them Mike Gorni, Bob Melvin, Ed Purvis, Mark Duncan, Scott Endy, Dave Flood, and Ray Foisy, but the success of this year's *TEAM* was due to the all-out contributions and enthusiasm of all squad members.

Prospects for next year are bright with many quality players returning, but the graduating seniors will be missed. They have made Abington's soccer program what it is — SOMETHING SPECIAL!!

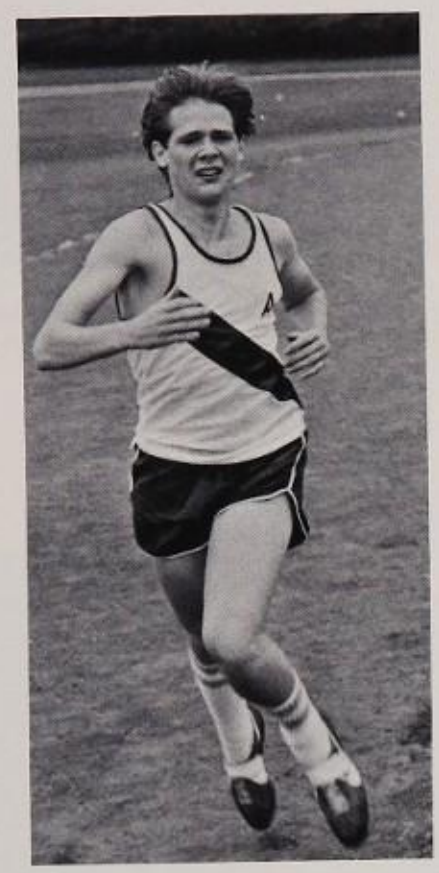
# CROSS COUNTRY

The Ghosts completed a successful season with a 9-2 record and second place in the Suburban One League Dual and Championship meets.

The team was paced by Seniors Jim Robuld, Mel Blount and David Schaffer, and Soph's Bryant Geating and David Parker. The Ghosts placed fifth in the District One Meet and had Jim Robold, Bryant Geating, and David Parker named to the All-League Team.

The young men of this year's team worked hard and enthusiastically to keep up the Abington tradition. The youthfulness of this year's team should pave the way for successful seasons the next two years.

Seniors, John Nagel, Darrell Johnson, Junior David Gurniak, Soph Steve Parker, and Frosh John Curran are to be recognized for their success this year.



*Row I: (L. To R)* D. Moyer, L. Wengert, J. Misko, Manager; D. Lewis, K. Stanislaw, K. Fechter, E. Treese, S. Gaw, C. Kondrosky, D. Crosson, C. Fricker, K. Weaver, K. Holland, S. Moran, S. Freed, J. Brucker. *Kneeling: (L. To R.)* Co-captains, N. Gerhard, K. Hoster.

The 1975 girls' hockey team ended their season in second place. It was a very successful season with the Ghosts tallying 18 goals to the opponents 11. This year's team had a number of fine players such as three year varsity players Dotty Crosson, Nancy Gerhard, Kathy Hoster, and Karen Weaver. Sue Moran and Day Lewis were the leading scorers, with 10 goals and 4 goals respectively.

The two major highlights of the season were a victory over Springfield and a victory over arch-rival Cheltenham. Abington beat the Spartans 1-0, which marked the first Ghost victory in six years. The Ghosts also outplayed the rival Panthers for the biggest victory of the season, 4-1.

The team came close to Suburban One this year. With a number of returning starters, and upcoming players from J.V., the title next year is an excellent possiblility. This season's J. V. had their best record yet, with a final of 8-1-1.

# 19 FOOTBALL 75

Two weeks before school started, an enthusiastic football team began working on new routines for the coming season. This pre-season training accounted for the fighting spirit of the team. The Ghosts were led by seniors Jeff Desman at middle line backer, Bud Knell at center, Hal Backer at right guard, Chris Moore at right tackle, Ken Gaines at halfback, Ty Solomon at halfback, and Mike Washington at defensive end. The resulting effort of our team was a 7-3-1 record. After rolling up three straight victories and one tie, our streak was broken by Upper Dublin (14-13), and was followed by two other losses at the hands of Upper Moreland (10-8), and league winners William Tennent (35-0). Despite these losses, the Ghosts sprang back to win their four remaining games.

The highlight of the season was the victory against P-W, by a score of 30-19. The whole team played well with the help of Dan Geoffredo in the defensive secondary. The offensive line led by Hal Backer and Bud Knell did a fine job to spring loose backs Jeff Desman and Ty Solomon.

The season culminated with the victory over arch-rival Cheltenham. It was a nip and tuck game reflected by the score of 9-6, but the Ghosts pulled through with a last minute field goal by Dave Flood, a soccer import.

Abington proved to themselves and to the rest of the league that they were a good football team. The 1975 version of the Varsity Team was a success in all respects.

# GOLF

The golf team lead by Gil Muhl and Lance Baral was coached by Mr. J. Wilkinson. The golf team suffer a disappointing season with a 4-5 record in the Suburban I conference. Good preformances were obtained by Gil Muhl, Lance Baral, Paul Lobb, and Rick Vacarro in the matches. The best three men were sent to participate in the Suburban and District Tournament. Gil Muhl, Lance Baral, and Paul Lobb were sent, respectively. The remainder of the team include: Steve Levine, Joe Sullivan, Jack Cunningham and Alan Ramirez. Because of a PIAA ruling, golf was changed from a spring activity to a fall activity.

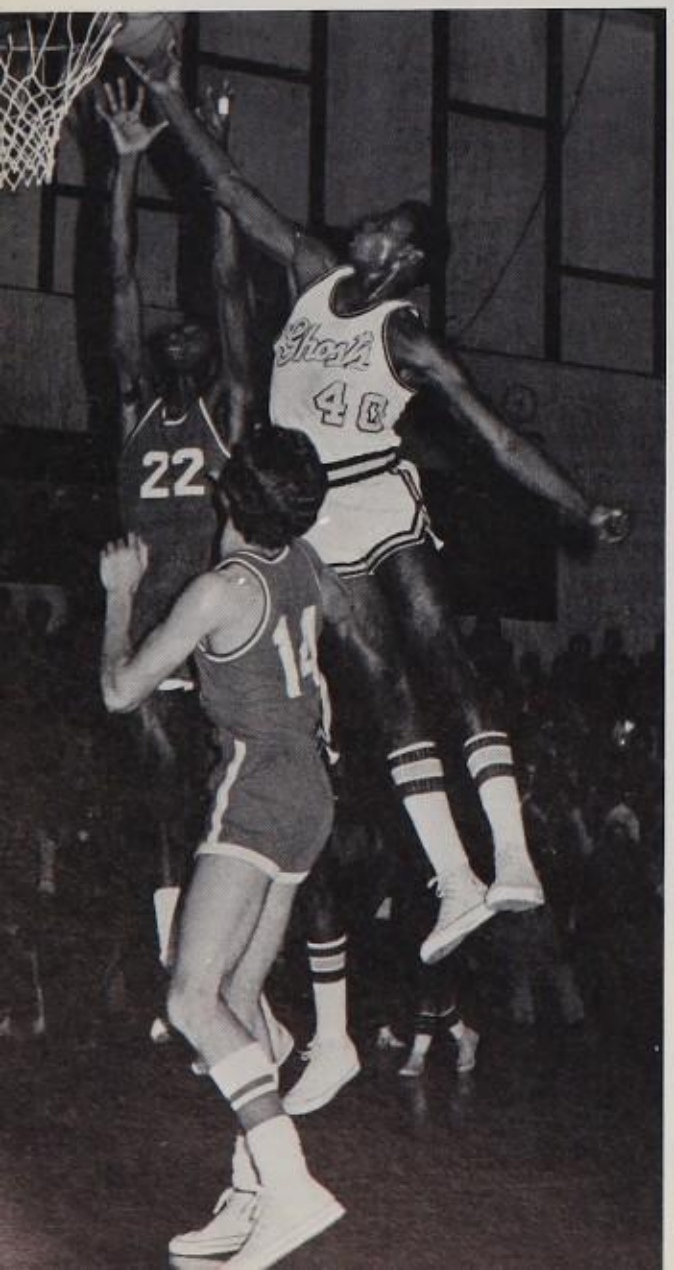
# BOYS BASKETBALL



The '75-'76 Basketball season saw Abington as one of the top teams in the area. Led by tri-captains Keith Parham, Barry Queen, and Bob Neely, the team broke the school record of twelve consecutive wins established in 1960. A combination of cooperation and polished skill was instrumental to the team's success. Seniors Ty Solomon and Mike Washington made a strong showing. Junior Dave Sullivan and Soph Howard McNeill displayed real talent.

"Far better it is to do mighty things, to win glorious triumphs, even though checkered by failure, than to take rank with those poor spirits who neither enjoy much nor suffer much, because they live in the grey twilight that knows not victory nor defeat."

*Row I (Left To Right):* C. Hackett, D. Cardano, D. Lewis, K. Weaver, L. Sims *Row II:* Coach; C. Schaffer, C. Quinn, G. McDowell, B. Twelves, S. Bell, E. Robinson.

Despite the increased number of games, the girls felt that their successful season was too short. Led by senior co-captains Cheryl Hackett and Robin Johnson, the girls finished high in the standings with a 10-5 league record. Probably their two greatest games of the season occured on the home court as Abington avenged an earlier loss to Cheltenham, 50-44 and pulled out a squeaker over league champion Norristown, 45-43.

Superior play this year was provided by seniors Betsy Twleves and Cassy Quinn and juniors Day Lewis and Sheila Bell. Miss Lewis averaged close to 20 points per game and provided some fine ball-handling for the Ghosts. Also contributing their skills to varsity ball were Ginny McDowell, Karen Weaver, Ellen Robinson, Diane Cardano and Lisa Sims.

The junior varsity proved to be a young team, as most of the players were sophomores. Linda Dell, Kathy Washington and Linda Wengert were steady players for the team.

Much credit is due to our two coaches, Miss Carlotta Schaffer and Miss Jean Turk. Thanks for a great season!

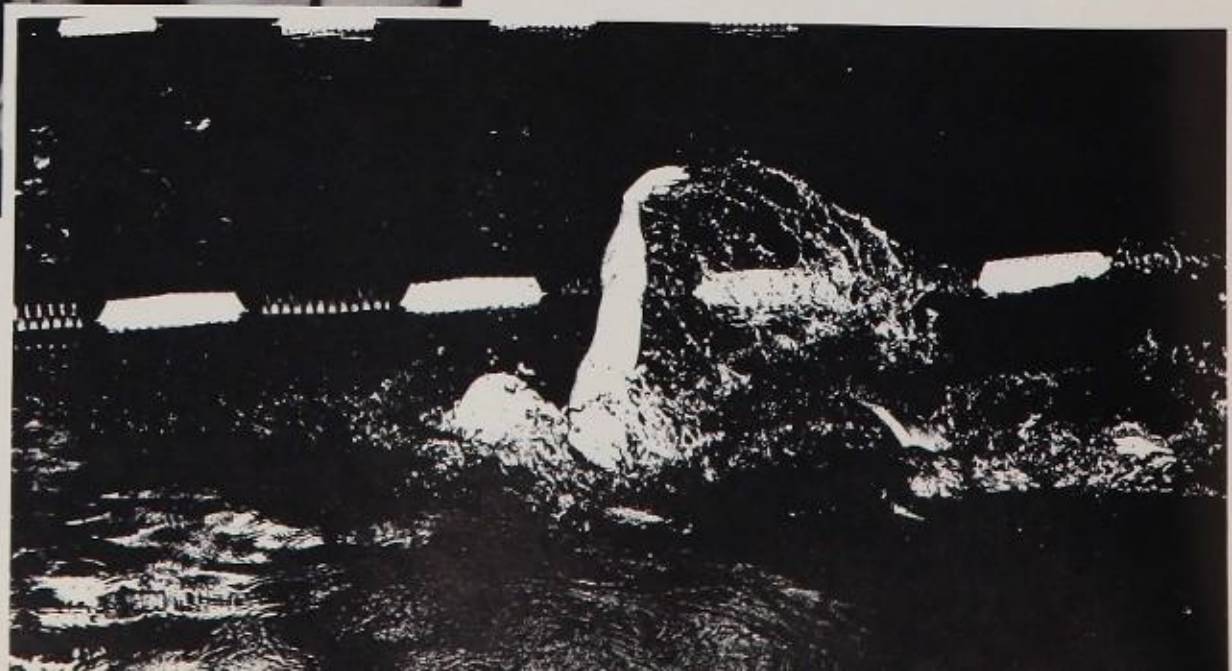
# GIRLS



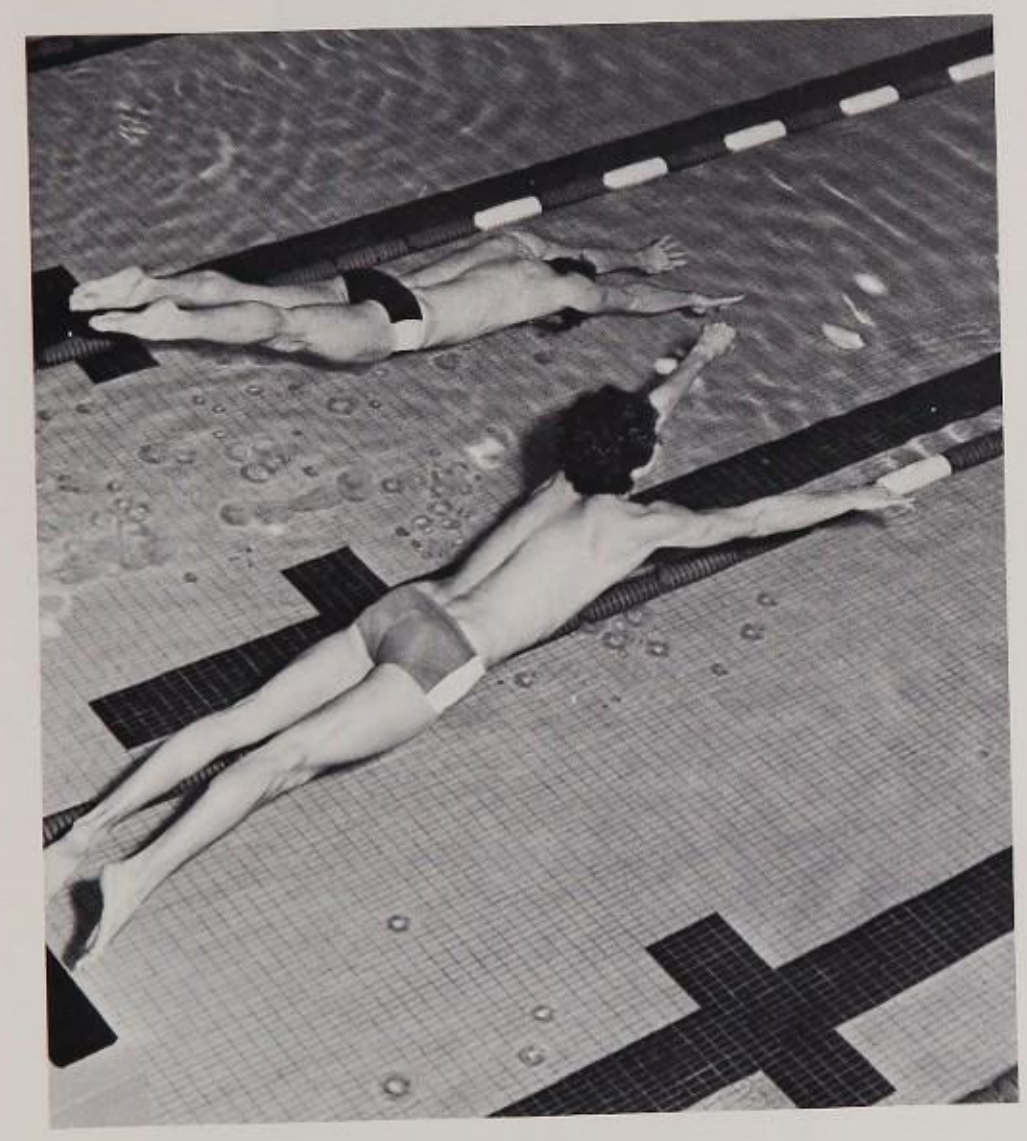
# SWIMMING

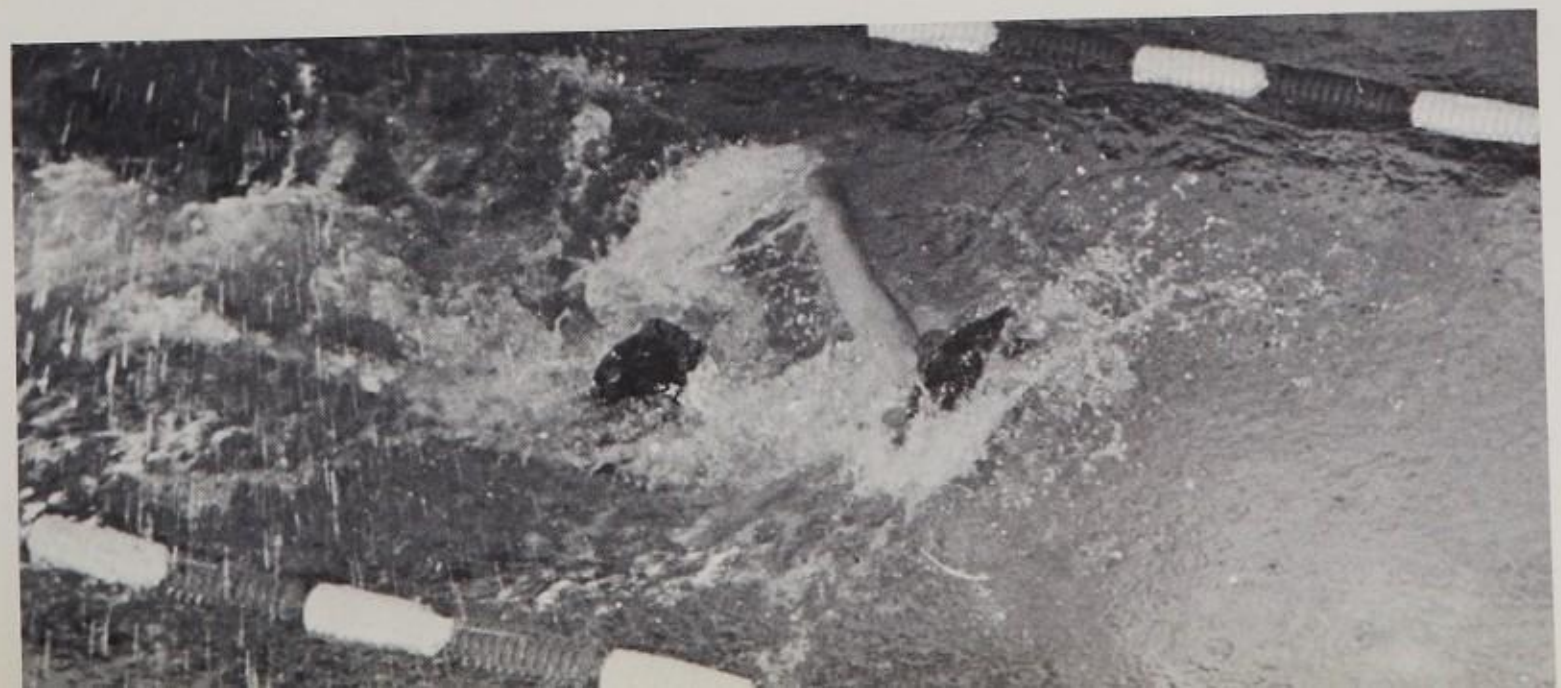
Coached by "Doc" Jurich and assisted by Mrs. Linda Musika, the girls swim team had an above average season. Tri-Captains Judy Lomady, Becky Webb, and Nancy McAfee gave directions during the year and truly influenced the spirit and attitudes of the members, all in a positive sense. Practices were long and trying but all the tedious work proved worthwhile upon considering some of the fine and outstanding times recorded by these swimmers. The future looks great for the Girls Swim Team.

# BOYS SWIMMING

*Row I (Left To Right):* Mr. Banister, Diving Coach; B. Folk, W. Valentine, G. Driscol, T. Mahoney, D. Cole, R. Smith, D. Anders, F. Crotty. *Row II:* L. Cohen, A. Fiore, F. Eisle, J. D'Ardenne, J. Driscole, G. Breuer, B. Harris, B. Erwine, R. McDevitt, M. Driscole, T. Evans. *Row III:* S. Burket, Mr. J. Nyman, L. Baral, P. Rutherford, B. Coates, R. Greene, G. Strack, Charles Pawling.

This year represented a challenge for both the coaches and the members of the Boys Swimming team. The Suburban I league has developed into a highly competitive group of schools. With the coaching of Mr. Pawling, Mr. Nyman, and Mr. Banister on the board, the boys have proven to be a well-disciplined team, demonstrating fine sportsmanship. Constantly contributing successful performances were tri-captains Tom Evans, Paul Rutherford, Lee Clemmer, Rick Greene, Bob Harris, and Ralph McDevitt. In diving Mike Driscoll proved himself to be a constant threat in league competitions.





*Row I (Left To Right):* P. Dennig, B. Keller, B. Rook, G. Muhl, J. Tall, B. Moyer, D. Slotterback. *Row II:* D. Hoag, G. Gelbart, D. Cooper, L. Shelby, G. Fleck, J. Heckler, Coach Sauter.

The boys' varsity had the second highest average (team average) in the league and finished in third place. The highest average team finished second and the third highest average team won the league championship. In tournament play at the end of the season, Gil Muhl won the second high average trophy for the boys and Denise Ratti won the same trophy for the girls. So you can see, perhaps, that we had the guns — We just could not fire them at the right time. Next year is another year .....?

There is a saying that "You can't win 'em all," and this years rifle team did not. Nonetheless, the rifle team was competitive in all its matches and nearly upset perennial rival, Interboro, before losing in a match that was decided on extra targets. This years seniors (Captain Andy Bonwit, Susan Triol, and Bill Hopf) will be missed, but many experienced shooters will be returning to form the nucleus or next years "Big Mac" team.

Beason, R. Heger, M. Di Italiano.

The 1975-76 team was hindered by the untimely injury to Marshall Washington as he would have strengthened our 880 and mile relay teams.

The distance medley team of David Parker, Joe Popper, Mel Blount and Bryant Geating; the two mile relay team of David Parker, Darrell Johnson, Mel Blount, and David Schaefer; and Jim Robold in the two mile run qualified for the Indoor Meet Championships.

Tom Grasty, Tom Ryan, John Ruhn, Barry Bryan, Larry Antonucci, and George Blount contributed much to the winter program.

## BICENTENNIAL ..... ABINGTON 1976

Approximately three years ago a bicentennial committee was formed within the school district of Abington Township. The major goal was to draw together and mobilize the various segments of Abington and the schools indigenous to these locales in an effort to present a total and complete overview of the ethnic and cultural aspects of the community bound together by a bicentennial motif. Plans were discussed, and evaluated; input from a cross-section of the Township was incorporated; and approval for the plans was reached. The center of the 1976 Bicentennial would be a major festival on the grounds of Abington High School on May 22, 1976.

The multi-faceted Festival will open with a musical presentation combining all-school bands and choirs under the direction of Mr. Nelson Gable. Participants will number between four and five thousand young people. Following these opening exercises, various and sundry events, activities, and experiences will begin in and about South Campus buildings.

Dances representative of the many cultures within the District will be performed in the Gym. Individual band concerts are scheduled. Ethnic foods will delight and satisfy all in attendance. Exhibits, early crafts, and puppet shows will be on the grounds to inform and entertain all age groups.

Obviously, this day is the end result of hard and diligent yet rewarding work contributed by many, many committees representing all of Abington Township.

The Class of 1976 and its yearbook ORACLE '76 are proud to participate in and applaud the efforts of these committees.

# SOUTH CAMPUS PRINCIPALS

Mr. Norman W. Schmid

Mr. William Lucian

TO: The Class of 1976

A happy circumstance of time and place makes your graduation in the bicentennial year of our nation an unusually noteworthy occasion. Much has been said about the hardship and the toil and the sacrifice which were once the building blocks of our society and may be again, but our concern at this time does not rest with the past. It is the future, your future, that is all-important as you complete this stage of your life and go on to other endeavors.

Each of you has lived through troubled times. You have known war, disruption, political upheaval, uncertainty, and, perhaps, fear; and you have thought of these as yours alone for your own time. But others have also known your feelings, have thought as you have. No one of these troublesome qualities is new. Each has been present before in our country's history, and each time increased greatness has resulted through the efforts of those who dared to look upward.

Now, it is your time to look upward, your time to face the challenges which will come to you as they do to all persons. We urge you to look with confidence upon the challenges you will face in your new world. In all of history you may well be the best equipped to reach the heights, to find your way; but training and background will mean nothing without an accompanying desire for success and the confidence that it will ultimately be yours.

The success of each of you will, together, be the greater success of your country. Your achievements are the achievements of your land. Its greatness is your greatness. May you always deserve each other.

Farewell,

THE SOUTH CAMPUS ADMINISTRATION

Ten minutes have gone by and I haven't gotten too far. You're a really terrific girl and I have not had one moment with you which was not the best time of the whole night. The movies (Probably outside of the closest I'll ever be to you in school) that night was great. I hope you have the best of luck later, especially with everything you want. But please Remember Me

Best of luck in all you ever do.

**Where are you going after graduation?**

How about into a promising job in electronics? Airport service? Or sea-going engineering?

These are just a few of the more than 70 different career fields Navy training offers.

If you can make the grade.

Training for skills to build a great future.

Using your hands. Your mind.

Leading others. Being responsible for your own job.

It's tough work. And there are daily chores, too.

But there's more to Navy life. Plenty more.

Travel. Good times. Lifelong friendships.

And if you sign up now, you won't have to report for up to six months. Or even nine months, if you qualify for a school program.

Want to go places after high school? Talk to your Navy Recruiter. He can even tell you what you qualify for before you enlist. Or send us this coupon. Or call **800-841-8000** anytime. It's toll-free.

A good job. A good life. The Navy: It's a good deal.

Miracles only come true for those with hope and courage to explore the unrealistic, those with the strength to be different, the ones with the will power to live a life style of their own. But, also those who don't try to figure out reasons for the unknown for if we figure all this out there wouldn't be miracles.

Joan Schuman, 1976
